“EAR of Clinical Dietetics - Evidence, Academics and Research”

WELCOME MESSAGE

Greetings from AICNU Organising Committee

On behalf of the AICNU organizing committee, it gives us immense pleasure to invite you to the temple city of Bhubaneswar, Odisha for the 14th AICNU 2022 Conference. The field of clinical nutrition is very dynamic due to a continuous translational research, hence making it a challenge for Clinical Dietitians to practice effectively. The increasing scientific evidence on the significance of medical nutrition therapy for disease prevention and treatment calls for the Clinical Dietitians to be effective knowledge managers. We shall be regularly posting updates about this conference on our website.

The theme for this edition of AICNU 2022 - “EAR of Clinical Dietetics - Evidence, Academics and Research” shall be very diversified and shall encompass many facets related to Clinical Nutrition. This conference will provide an exclusive opportunity to all participants to discover how to create an impact using strategies to adapt the best practices and provide nutrition support. This shall also enable participants to shift their tactics with the changing landscapes, thus helping them to work smarter. AICNU organizing committee offers a spectacular program that includes current advances in Clinical Nutrition. AICNU's sustaining effort in knowledge sharing helps to enhance nutritional care and practice. We are excited to share our 1st announcement of the 14th AICNU 2022 Conference to help you block your calendar accordingly.

We thank you for your commitment to AICNU, to the field of clinical nutrition, and most importantly, to your patients.
