2nd Clinical Nutrition Update 2010 Apollo Hospitals Group

17th & 18th September, 2010

Apollo Hospitals, an integrated health network, with infrastructure and manpower matching the best in the world, is today recognized as the architect of modern healthcare in India.

The Department of Dietetics takes constant efforts to continuously update and upgrade in the field of clinical nutrition which has helped us to benchmark our nutrition practices.

After successful completion of the 1st Clinical Nutrition Update in September 2009 for the Apollo group Dietitians, we are organizing the **2nd Clinical Nutrition Update** 2010 with the theme of **“Clinical Nutrition Practice and Current Trends”** for all practising Dietitians of India on September 17th and 18th 2010 at the GRT Convention Center, T. Nagar, Chennai – 600017.

The main goal of this update is to enhance the knowledge of the Dietitians on the latest trends in clinical nutrition practices. This update will provide a forum for exchange of ideas and authoritative views among Dietitians, Nutritionists and Medical professionals.

We indeed take immense pleasure to invite you to participate in this knowledge sharing event.
